EDUCATION

The University of Texas at Austin

Bachelor of Science in Public Health (expected graduation May 2014)

EXPERIENCE

Peer Educator: January 2012 - present

Health Promotion Resource Center, The University of Texas at Austin

Outreach and Presentations

- Co-create and present programs for UT students related to health issues with audiences of 80-200 people
- Assist community outreach specialists to develop and implement local educational programs for families of UT students
- Plan and manage educational materials at university health fairs

Research

- Evaluate educational programs and workshops for effectiveness
- Select and acquire videos, books, and pamphlets for distribution through HPRC library
- Develop and manage health resource library database with 2,000 resources
- Analyze quantitative survey data files as part of ongoing research on health and well-being needs of UT students

Customer Service

- Assist students, staff, family members, and the public using HPRC library
- Interact directly with campus community at university health fairs

Library Assistant: December 2010 – December 2011

Perry Castaneda Library, The University of Texas at Austin

Customer Service

- Assisted students and staff in locating and checking out library resources
- Maintained organization of the library collections
