

BDP curriculum sheets are a complete listing of all courses that can be counted towards a specific certificate. However, this coursework comes from many colleges and schools, and the BDP office cannot guarantee that these courses will be offered in a specific year or semester.

This guide is intended to help students determine when certain foundation course requirements are offered. **Please note that this information may change from semester to semester.** If you are concerned that the timing of these courses does not fit within your graduation plan, please consult your BDP advisor about course petition options.

Course	Counts for	Typically Offered
