Social Entrepreneurship & Non-profits

Bridging Disciplines Programs allow you to earn an interdisciplinary certificate that integrates area requirements, electives, courses for your major, internships, and research experiences.

The Social Entrepreneurship & Non-profits BDP brings together students who are interested in pursuing a career in the public service sector and expanding their involvement in the community. Non-profit leaders for the 21st century must increasingly understand the blurring of lines among private, government, and non-profit sectors.

Upon completion of 19 credit hours from the options listed to the right, you will earn a certificate in Social Entrepreneurship & Non-Profits.

The Social Entrepreneurship & Non-profits BDP is overseen by a panel of faculty members from across campus. Members include Cal Streeter (Social Work), Stephanie Holmsten (Government), Jennifer Jones-Barbour (Communication Studies), Dave Junker (Advertising and Public Relations), Dennis Passovoy (Management), and Pamela Paxton (Sociology).

The Bridging Disciplines Programs offer interdisciplinary certificates in the following areas:

- Children & Society
- Conflict Resolution & Peace Studies
- Design Strategies
- Digital Arts & Media
- Environment & Sustainability
- Ethics & Leadership in Business
- Ethics & Leadership in Health Care
- Ethics & Leadership in Law, Politics & Government
- Human Rights & Social Justice

Connecting Experiences (6-9 Credit Hours)

Your BDP advisor can help you find internships and research opportunities that connect Social Entrepreneurship & Non-profits to your major, and that connect the content area of your strand with the issues and skills explored in the foundation courses. We call these opportunities “Connecting Experiences” because they play such an important role in integrating your studies.

At least one of your required Connecting Experiences (3 credit hours each) must have a research emphasis. This can either be a research Connecting Experience, or an internship Connecting Experience in which the internship responsibilities include a research project. Examples of research projects an intern might assist with include, but are not limited to: market research, researching new funding sources, researching a problem for the need statement of a grant proposal, conducting an evaluation to measure the success of a program, research that validates new engagement strategies, or developing a proposal for a new program or initiative.

For more information and for examples of past connecting experiences, visit www.utexas.edu/ugs/bdp and consult your BDP advisor.

Strand Courses (3-6 Credit Hours)

In addition to your Foundation Courses and Connecting Experiences, you must complete 3-6 credit hours of strand courses, to bring your total credit hours toward the BDP certificate to 19 hours. You should work with your BDP advisor to choose strand courses that will focus your BDP on your specific interests, and that will provide you with an interdisciplinary perspective on your BDP topic.

You have the option of choosing courses from one of the concentrations below or developing your own concentration in consultation with the BDP advisor and the faculty panel. In order to create an interdisciplinary experience, you must choose courses from a variety of disciplines. Individual course listings for these concentrations are located on the opposite side of this page.

Choose one of the following concentrations, and complete 3-6 credit hours from within that area:

- Art and Social Change
- Health and Health Care
- Youth and Family
- Environment
- International Development
- Community Welfare and Social Justice

Integration Essay

In order to complete your BDP certificate, write a 3-4 page integration essay in which you reflect on what you learned and accomplished through your BDP experience. This essay is your opportunity to draw connections among your interdisciplinary BDP coursework, your Connecting Experiences, and your major. For additional guidelines, please consult your BDP advisor.
Choose one of the following concentrations, and complete 3-6 credit hours from within that concentrations. Please speak with your BDP advisor about your plan for fulfilling your strand course requirements. Note that only one of your strand courses may come from your major department(s), or from courses cross-listed with your major department(s).
