97% of students agreed/strongly agreed that their tutor listened attentively.

93% of students agreed/strongly agreed that their understanding of the material for which they needed tutoring improved as a result of this tutoring session.

"I was impressed this spring with how quickly Sanger adapted to online learning. The training that was put together for the Supplemental Instruction leaders was very useful and got them up to speed quickly."
-Faculty Member

"I'm really thankful that Sanger tutors are still offering services online. This session was so helpful and it lowered my stress about the assignment I was having trouble with!" -Student

"This semester wasn't what I was expecting from my senior year but having our [training] meetings and seeing your emails made it a little easier." -Student Educator

Academic Services Hours by Month

*Services moved online in March 2020 due to COVID-19.

11,522 unique students served
372 student educators
