75% of students said that after Reading Round-Up, they'd feel comfortable getting in touch with the professor who led their session to ask a question or seek guidance.

Some of the 50+ Titles Offered

What three things most attracted you to participate in Freshman Reading Round-Up?

65% - “I like reading in general”
47% - “I wanted to meet other students”
48% - “I wanted to read a particular book”

“I like that I had the chance to participate in a discussion before classes started; it made me less nervous about going to class.”
- 2014 participant
